STARCORE INTERNATIONAL MINES

A strategically positioned niche gold and silver producer operating in Mexico.

Our goal is to impact the Mexican mining community through strategic exploration and sustainable business plans.

Our accomplished management team has strong ties with NAFTA countries and Europe.

SAN MARTIN MINE

Underground gold and silver operations

Cash flow positive from mining operations

Extensive exploration potential

Largely unexplored land package

CORPORATE STRATEGY

Further exploration of San Martin Mine

Continued exploration as specified by the mine plan

Additional property acquisitions
